Часть 1(базовый уровень).

1. Прочитай, что некоторые британцы говорят о своих увлечениях.

а) Подбери к текстам заголовки. Один заголовок лишний.

1) We are very fond of having picnics. On Sundays our family goes to some nice place in the country. We like to sit in the open air and enjoy nature. It's a pleasure to have lunch in a forest or near the water. We can also play ball or swim if the weather is fine.

2) My best friend and I often go to the discos. We listen to music and dance there. It's fun! Rock is our favourite type of music. And we enjoy listening to jazz.

3) We have two dogs. Their names are Terry and Rex. We love them so much! Every day we take them for a walk in the park. They are so polite and nice when they meet other dogs there. I think they say "Hello!" to them in their dog language.

4) All my friends love sport. Our favourite sports are horse riding, football and swimming. Every school and college has its own football team. We often have sport competitions at our school. It's great when your team wins!
